***Where learning adventures begin...***

5 September 2014

Dear Parents/carers

**Beech and Maple Classes**

As part of our themed topic of 'Long Ago and Far Away', we are studying the theory of evolution and looking at evidence that supports this theory. To inspire and enrich our learning we have planned a trip to Charmouth and Lyme Regis on Friday 10th October.

The day will include a film and exploration of the Heritage centre at Charmouth, fossil hunting with experts from the centre and a visit to a fossil and geological museum in Lyme Regis. Due to the distances involved this needs to be a long day and we plan to leave at 7.45am, and leaving Lyme Regis at 4pm, aiming to be back by 6.30pm.

The cost of the trip will be £15 per child. Each child will need to take a packed lunch, a refillable water bottle and enough food for two snack breaks. They will also need waterproof coats and walking boots or wellies. It may be cold on the seashore so they will need to wear layers of warm clothing, which should include their red school sweatshirt.

Please return the slip below asap and speak to any of the teachers or office staff if you need to discuss the cost of the trip.

Yours sincerely,

Christine Fallon      Jo Cook      Kate Sims
