NESTON PRIMARY SCHOOL –MDSA VACANCY

Thank you for your interest in joining our team. Neston Primary School is situated in the village of Neston, just outside Corsham. The school was originally built in 1861 and was initially extended and refurbished in 1997, with a further extension in 2013 which includes two new classrooms.

The school has 201 pupils and is currently arranged in seven classes.

The extensive grounds are a real feature of the school, also incorporating a sunken garden built by the children of the school in the 1930s. These outbuildings have been repaired so that they can be used by the children at playtimes and for lessons.

We have a behaviour system to reward good choices which provides a consistent approach in supporting children to make them.
