Where Learning Adventures Begin...

17th December 2015

Dear Parents,

Another term has flown by and we all wait, with baited breath, for the arrival of Father Christmas and spending some time with our families.

So what has this term brought us? Well, we were very proud of our sports teams who received "The Fair Play" award as a result of their excellent conduct during a football match with other schools in the Corsham Cluster. Our children also came 2nd in a hockey match which they played in November. It is fantastic that Ms Sims opens these sorts of opportunities to as many children as she can.

Macbeth was a huge success and really showed the skills and attitudes which are fostered at Neston; resilience, team work and being brave. A great performance which encapsulated the atmosphere and brilliance of a performance that even "The Globe" theatre company would have been proud.

Our "Sky's the Limit" topic has been hugely successful and it transpires that we have some very talented inventors, writers and problem solvers at Neston. We all thoroughly enjoyed the excitement and historical importance as we watched Tim Peake blast off into space on Tuesday and this linked very well with our topic. We look forward to watching our children's skills blossom and develop as we embark on next term's topic which is "Journeys of Discovery".

Willow class performed a wonderful nativity which was enjoyed by the whole school and really helped us get into the Christmas mood. What amazing movers, actors and singers!

It is with real sadness that we say goodbye to Mrs Fox and Mrs Comport. Mrs Fox has been pivotal in changing and influencing attitudes and has touched the minds and hearts of so many at Neston. Mrs Comport has worked tirelessly in our office dealing with a whole manner of things, including the finance. We will miss them both and wish them well as they venture forth to pastures new.

Finally, I'd like to take this opportunity to thank you for your continued support and wish you all a Merry Christmas and Happy New Year.

Pam Evans
Head Teacher
