Issue Nº 12

Dear Parents / Carers

I hope you have had a lovely weekend and are ready for the week ahead.

ELSA

As we prepare for Mental Health week, we thought it pertinent to share with you how our ELSA team work at Neston. We are lucky enough to have 2 trained ELSAs (Mrs Sykes and Mrs James) who provide additional support for our children when they need a bit of a boost. They provide 1:1 sessions or small group sessions. The programme usually takes place over 6 weeks, with each weekly session lasting approximately 45 minutes. Outcomes are carefully planned and monitored to develop skills and coping strategies that will help children to manage social and emotional demands more positively and effectively.

What does an ELSA do?

ELSA's are specialist Teaching Assistants who have received special training from Educational Psychologists to support the emotional development of children and young people in school. ELSA work is not therapy. An ELSA's role is to help children learn to understand their emotions and respect the feelings of those around them and to provide the time and space for pupils to think about their personal circumstances and how they manage them. It is based on the view that all children are different and they should be nurtured according to their needs. Sessions are planned in advance and tailor-made to suit the needs of the children and to work on a wide variety of emotional or social difficulties such as:

- Emotional literacy
- Resilience
- Attachment
- Active Listening/Communication Skills
- Social/Friendship Skills Interventions
- Self-esteem
- Loss and Bereavement
- Family Separation
- Cognitive Behavioural Approaches
- Growth Mindset

Safer Internet Day 2023

Safer Internet Day 2023 is celebrated on 7th February 2023, with thousands of people across the UK working together to engage in conversations about how we can all work together to make the internet a great and safe place. The theme for this year is 'Want to talk about it? Making space for conversations about life online.' This is such a crucial aspect of our work. Please see below for more details.

<https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2023/parents-and-carers>

Please also look out for some extra activities coming home with your child next week to support you in starting these conversations.

Strike Action

Please be reminded that the **school will be closed on 1st February 2023** owing to strike action which is being taken by the NEU (National Education Union). This decision to close has not been taken lightly but does come as a result of a robust Risk Assessment.

With warmest wishes

P. Evans

REPORTING ABSENCE

Please could we remind parents of the following procedures for reporting your child absent:-

- If your child is absent from school, please call 01225 810478 and leave a brief explanation on the absence answerphone before 9.10am –Please phone for every day of absence
- If you need to notify us that your child will be absent due to an appointment please email the office admin@neston.wilts.sch.uk
- If you wish to request a leave of absence, please complete and return the relevant form (which can be obtained from the school office or online via <http://nestonprimary.co.uk/useful-links-forms>) which will then be passed to Mrs Evans for consideration.

As part of our Safeguarding procedures, we will contact parents of those children who are not present for registration.

Good attendance means...

Being in school at least 95% of the time or 180 to 190 days

Percentage attendance	What this means for your child
98%	Excellent attendance that will contribute towards excellent learning and progress.
96-97%	Good attendance that will contribute towards good learning and progress.
93-95%	Average attendance & monitored closely
80-92%	Below average attendance that may begin to have an adverse effect on learning and progress. The school will closely monitor the absences and reasons for them. The Educational Welfare Officer may become involved and a school attendance meeting may take place.
Less than 80%	Very poor attendance that will have a negative effect on learning and progress. The Educational Welfare Officer will become involved in supporting the family to improve attendance.

Please can we ask that you are considerate of our neighbours and cautious where you park at drop off and pick up times. This includes leaving the bus stop free for the school bus and not blocking the entrance to the school car park, as this is required at all times.

Please also be mindful that cars leaving the car park cannot always see out onto the road clearly.

We have had complaints by local residents of driveways being blocked.

We thank you for your continued support in this matter.

School Dinners

Please can we remind you that meals need to be ordered at least one week in advance.

The **booking deadline is midnight on a Wednesday** and a text is sent out at 6pm on Wednesday every week.

If you miss the midnight deadline, ParentPay will not allow you to book meals for the following week. You will still be able to order for subsequent weeks, with the option to book for the whole term, if you wish.

If you do miss the booking deadline, you will need to provide a home packed lunch for the whole of the following week.

Our kitchen orders the food and prepares the meals based on the number of dinners booked on a Wednesday. This helps to reduce food wastage and keeps costs down, which is especially important with the current economic climate.

We thank you for your co-operation and understanding.

Neston School will be celebrating Children's Mental Health Week between 6th – 12th February.

The theme for this year is **Let's Connect** and is about making meaningful connections for all, during Children's Mental Health Week – and beyond.

Children will be participating in activities throughout the week and on Friday 10th February will be invited to wear a scarf to school to celebrate the following values:

- S – Safety
- C – caring
- A – achievement
- R – resilience
- F – friendships

No donation is required for this and as always, this is an optional event.

We are looking forward to seeing and hearing about all of the fabulous scarves that will be on display and don't forget to wear your scarf at drop off and pick up too!

Thank you for your continued support,

Miss Turner

Wear Your Scarf to School Day

Friday 10th February

At Neston school we are committed to keeping our young people safe online. We teach online safety as part of our computing curriculum and support our children to learn how to stay safe from different risks online and where they can go to get help and advice.

We want all the children at Neston school to feel confident that they can stay safe online. If you need any further support with issues relating to online safety then please speak to a member of staff. You can also check out our online safety page on the school website <http://nestonprimary.co.uk/e-safety> which contains up to date information and links to further online safety resources.

Next Tuesday (7th Feb) is Safer Internet Day.

Safer Internet Day 2023 is celebrated on 7th February 2023, with thousands of people across the UK working together to champion youth voice and engage in conversations about how we can all work together to make the internet a great and safe place. The theme for this year is 'Want to talk about it? Making space for conversations about life online.'

In school, we will be participating in Safer Internet Day by completing activities in our classrooms and also attending assemblies for both Key Stages.

Safer Internet Day is a great opportunity to focus on online safety with your child, whatever their age. The UK Safer Internet Centre have created a range of pages to help you start a conversation with your child, whatever that may be about and no matter how much time you have. Please follow this link to find them and lots of other information and resources. <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2023/parents-and-carers>
