

**NEWSLETTER - Issue Nº 21**

**Thursday 20<sup>th</sup> 2023**

Dear Parents / Carers

The end of another academic year beckons and what a year it has been! It has been a real pleasure to work with our amazing children and watch them develop over the academic year.

I'd like to pay tribute and thanks to my amazing staff who continue to work extremely hard to support all of our children both academically and pastorally. Our admin team who work tirelessly to support us all, our cleaners who are also crucial to the mechanics of our school and to FoNS who continue to raise funds so that our children can access those resources that school budgets simply cannot afford. And to our Governors who work behind the scenes to ensure that Neston continues to achieve its core purpose.

We say a fond farewell to Mrs Pillinger who is retiring after many years in education. Mrs Pillinger has been a long-standing member of the Neston team and been pivotal in developing strong provision for children with Special Educational Needs. She has worked tirelessly for our children so that they get what they need. She will be missed by all of us. I know she will have a wonderful retirement where travelling is strong on the agenda.

We also say goodbye to Mrs Hayward who is leaving us to work with big children. Mrs Hayward has been one of our MDSAs and has also supported children both academically and pastorally. We will miss her too and wish her luck in her new role.

My final thank you is to our parents and carers who continue to work alongside us so that our children thrive and learn.

On Friday, we say goodbye to our fabulous year 6 children as they embark on a new and exciting chapter at secondary school. We can all reflect fondly on when those children arrived at Neston, and it has been a privilege to learn with them over the years. We all wish them well, and know that they will continue to embrace all of the challenges which they may face with creativity and courage. They will be missed.

I wish you a wonderful break and some fantastic memory-making opportunities with your children.

The new academic year will start on **Tuesday 5<sup>th</sup> September** for all children, including the new reception intake.

With warmest wishes

Mrs Pam Evans  
Head Teacher

### REPORTING ABSENCE

Please could we remind parents of the following procedures for reporting your child absent:-

- If your child is absent from school, please call 01225 810478 and leave a brief explanation on the absence answerphone before 9.10am –**Please phone for every day of absence**
- If you need to notify us that your child will be absent due to an appointment please email the office [admin@neston.wilts.sch.uk](mailto:admin@neston.wilts.sch.uk)
- If you wish to request a leave of absence, please complete and return the relevant form (which can be obtained from the school office or online via <http://nestonprimary.co.uk/useful-links-forms>) which will then be passed to Mrs Evans for consideration.

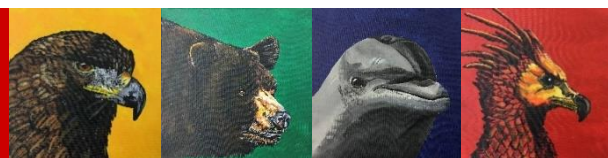

**As part of our Safeguarding procedures, we will contact parents of those children who are not present for registration.**

## Good attendance means...

Being in school at least 95% of the time or 180 to 190 days

Percentage attendance	What this means for your child
98%	Excellent attendance that will contribute towards excellent learning and progress.
96-97%	Good attendance that will contribute towards good learning and progress.
93-95%	Average attendance & monitored closely
80-92%	Below average attendance that may begin to have an adverse effect on learning and progress. The school will closely monitor the absences and reasons for them. The Educational Welfare Officer may become involved and a school attendance meeting may take place.
Less than 80%	Very poor attendance that will have a negative effect on learning and progress. The Educational Welfare Officer will become involved in supporting the family to improve attendance.

#### School Dinners

**Please can we remind you that meals need to be ordered at least one week in advance.**

The **booking deadline is midnight on a Wednesday** and a text is sent out at 6pm on Wednesday every week.

**If you miss the midnight deadline, ParentPay will not allow you to book meals for the following week.** You will still be able to order for subsequent weeks, with the option to book for the whole term, if you wish.

**If you do miss the booking deadline, you will need to provide a home packed lunch for the whole of the following week.**

Our kitchen orders the food and prepares the meals based on the number of dinners booked on a Wednesday. This helps to reduce food wastage and keeps costs down, which is especially important with the current economic climate.

We thank you for your co-operation and understanding.

Children often have a dip in their reading over the summer, the Summer Reading Challenge, produced by the Reading Agency and delivered by libraries, has been proven to stop this as well as changing children's attitudes in a positive way towards reading and libraries. The challenge is for 4-11 year olds to read 6 library books over 8 weeks of the summer in return for various fun prizes, including a medal and certificate on completion.

**This year the challenge runs from Saturday 15 July to Saturday 9 September.** There will be an initial registration period in the first two weeks of the challenge, where children will receive a collector's folder, then after this period (from 31 July) they are invited to return to talk about the books they have read and start collecting their stickers. Children can also continue to register throughout the summer.

It's free to join the challenge and to take out a library membership, visit: [Join the library - Wiltshire Council](https://www.wiltshire.gov.uk/libraries) and library staff will be on hand to support reading choices. Children can also take part in the challenge online via the website: <https://summerreadingchallenge.org.uk/> where they can rate and review books, download activities, and access video content, games and quizzes.

### MEDICATION IN SCHOOL

Please can we remind parents that if your child requires medication during school hours, that a form is completed and returned to the school office, along with any medicines that are clearly named.

Children should not have medicine in their school bags and self-administer. This can include creams, calpol, ibuprofen, hayfever tablets etc.

If you need to complete a form, these can be collected from the school office or downloaded from our website via - <http://nestonprimary.co.uk/useful-links-forms>

If you have any queries regarding the above, please contact the school office on [admin@neston.wilts.sch.uk](mailto:admin@neston.wilts.sch.uk)

We thank you for your support in this matter.

Please can we remind parents that dogs are not allowed on the school premises. We'd be grateful if they could be kept back from the school gate too. Thank you

### MUSIC LESSONS

Did you know we have some amazing music teachers who offer private music tuition in piano, guitar and drumming?

Please can we ask that you are considerate of our neighbours and cautious where you park at drop off and pick up times. This includes leaving the bus stop free for the school bus and not blocking the entrance to the school car park, as this is required at all times. Please also be mindful that cars leaving the car park cannot always see out onto the road clearly.

We have had complaints by local residents of driveways being blocked.

We thank you for your continued support in this matter.
