Dear Parents/Guardians

### **Rocky Monster Show**

Please find below a full list of costumes needed for 'The Rocky Monster Show'. Your child will be able to tell you what character they are, however if you are unsure please do not hesitate to come and ask. If you are able to help with other costumes/items we would be most grateful and would ask that you please send them in, labelled with your child's name.

**Professor Fenton:** black fedora with an opera cloak – preferably lined with red – which he drapes over his face. Black trousers, shoes, a white shirt, bow tie and a colourful waistcoat. A white half mask (similar to Phantom of the Opera).

**Daniel Stoker:** Shirt and tie, either a suit or tweed jacket, trousers and spectacles. In scene three, he changes in to a white lab coat.

**Rebecca Shelley:** 1950's/60's style dress (plain), ankle socks and sandals. Can accessorise to show off her 'outgoing' personality. In scene three, she changes in to a white lab coat.

**Igor:** A cloak or sack like dress tied with rope and slipper like shoes.

**Mrs Danvers:** a full length black dress, with a high necked collar and a big brooch. Hair should be tied in a bun.

**Gloria:** A glamorous dress and shoes, with extravagant hair.

**Elsa and Mungo:** both monsters with grotesque make-up and clothing. Both dressed in shabby, sack like clothes, possibly tied at the waist with a cord. Alternatively, could be swathed in bandages.

**Elvis:** no explanation needed!

**The Superbs:** Jeans and smart shirts for male Superbs. For female Superbs, a glamorous dress.

**Aunt Ada Doom, William, Villagers, Ted and Crazy Girl:** old fashioned, quite shabby clothes.

**Narrators:** Black trousers, shirt and tie.

**Stationmaster:** Trousers, suit jacket, old fashioned hat and a lantern.

**Inspector Baskerville:** Edwardian Police Officer.

If you foresee any problems with any of the above, please come and see me and we will endeavour to help.

Kind regards

Ms Turner
