Where Learning Adventures Begin...

NESTON PRIMARY SCHOOL –MDSA Vacancy

Thank you for your interest in joining our team. Neston has a strong ethos of encouraging children to take risks; to learn from their mistakes and through doing so unlock their ‘hidden treasures!’ We believe that through laughter and celebration children have positive learning experiences that will allow them to progress in all areas of their development.

Our extensive grounds are a real feature of the school, incorporating a sunken garden built by the children of the school in the 1930s. These outbuildings have been repaired so that they can be used by the children at playtimes and for lessons.

We are seeking an MDSA to work 5 days per week, for an hour per day, term time only (38 weeks per year) on a permanent contract.

In the role of MDSA, you will be joining a dedicated and friendly staff team in our thriving primary school. The role is varied and busy with no two days being the same so we are looking for someone who can be adaptable, resourceful, keep calm in stressful situations, whilst maintaining a sense of humour and successfully working as a team! We have a behaviour system to reward good choices which provides a consistent approach in supporting children to make them. Our school currently has 193 pupils on roll arranged over seven classes.

Neston School is situated in the heart of the village, just outside Corsham. It was originally a Victorian primary school and an extension was added in 1997. A further extension with two new classrooms was added in Sept 2013. There are currently 188 pupils on the roll, arranged in seven classes, some with mixed year groups.

You are very welcome to arrange a visit. Please contact us at admin@neston.wilts.sch.uk or telephone us on 01225 810478.

We look forward to receiving your completed application form and covering letter.

Neston Primary School is committed to safeguarding all children
